

W6 - What do you notice?

What do you wonder?

Thursday, 30 August 2018 9:57 PM

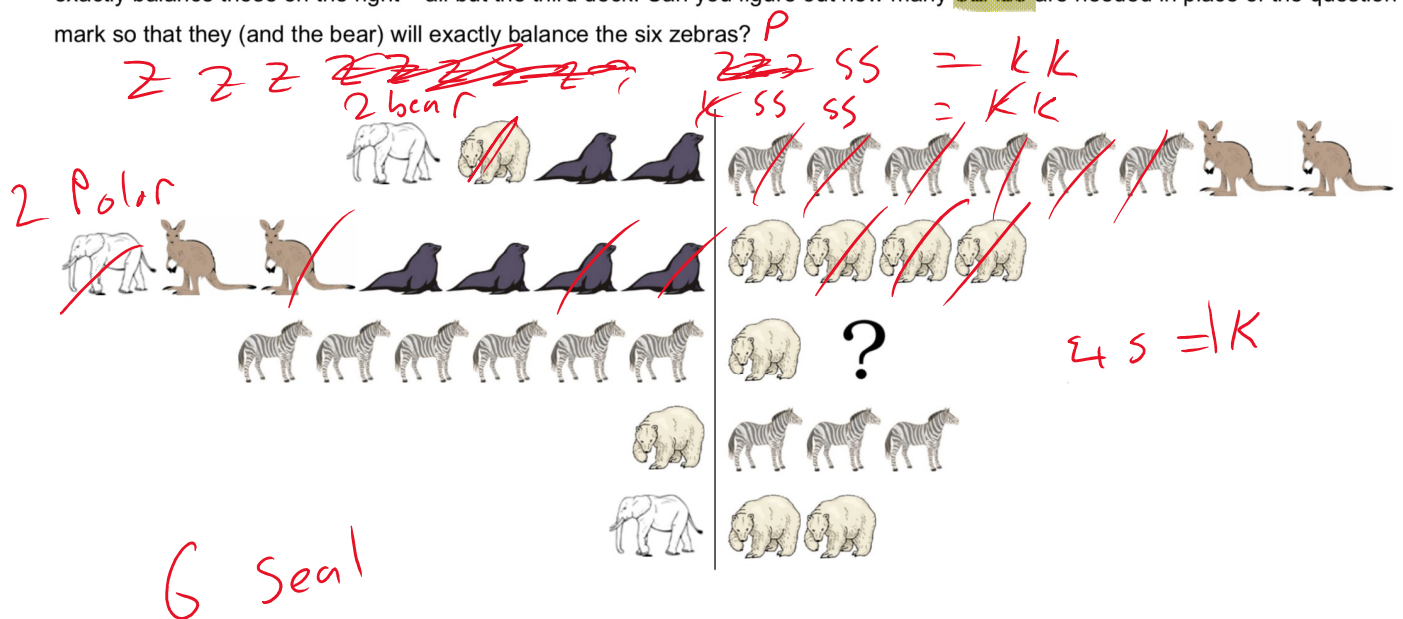

In pairs, discuss and write down what you notice and wonder about this diagram.

Things you **notice** are often facts or patterns.

Things you **wonder** are usually questions you ask about what you see.

PS: Nora's Ark

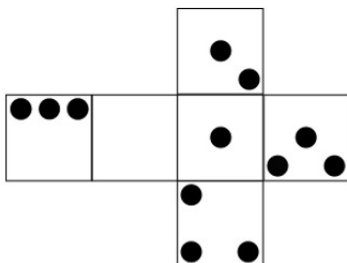

Ms. Nora wants her Ark to sail along on an even keel. The ark is divided down the middle, and on each deck the animals on the left exactly balance those on the right – all but the third deck. Can you figure out how many **SEALS** are needed in place of the question mark so that they (and the bear) will exactly balance the six zebras?

Spotless Dice 1

This is a net for a standard die with some spots removed.

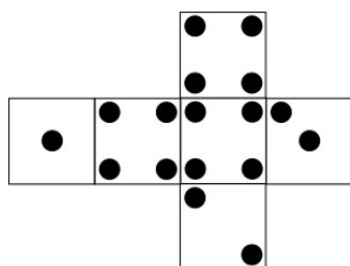

What number was on each face originally?

Spotless Dice 2

This is a net for a standard die with some spots removed.

What number was on each face originally?

Spotless Dice

Name: _____

This is a net for a standard die with some spots removed.
